

2024 COPPERMINE CAMP POLICIES & GUIDELINES

We encourage all parents and guardians to read our camp policies and information fully. All staff and administrators follow these policies and procedures and are unable to make exceptions for any reason.

These policies and guidelines are applicable for all Coppermine camp locations.

Parents can register online at www.gocoppermine.com. We accept checks, cash, or credit cards for camp payment.

Within 72 hours after registering, customers will receive an itemized statement via email that will include all details and a link to our Parent Portal. If a camp is full, you will be notified that your child has been placed on a waitlist.

The Parent Portal includes additional camp information and all required state forms for camp. All forms must be returned by May 1st or within one week of registering if after May 1st and prior to your child's first day of camp.

All summer camp registrations require a *non-refundable* \$100 per week per camper deposit which is then applied towards your camp tuition.

All camp balances are due in full by May 1st. The credit card on file will be charged for any unpaid balances on May 1st. Credit cards are required with all applications and are kept on file to guarantee payments. All campers who register after May 1st must pay in full for summer camp at the time of registration. It is the customer's responsibility to contact us for all camp related questions, changes, and payment inquiries at camp@gocoppermine.com.

Due to the nature of our summer programming, we no longer offer partial weeks or sessions. The camp reserves the right to cancel your enrollment in its entirety if payment is not received per the camp agreement and all deposits will be forfeited. There is a \$35 returned check fee.

All camp program changes, or requests must be in writing and emailed to camp@gocoppermine.com.

There is a \$25 change fee to all camp adjustments or changes after July 1.

Coppermine reserves the right to request additional camper information or may request a parent meeting after all health forms have been submitted. If Coppermine determines that it cannot reasonably meet the needs of an individual camper, Coppermine reserves the right to accept or deny admission. If admission is denied, all deposits and monies paid will be refunded.

We ask that parents and guardians provide information on any medical conditions, including physical, psychiatric, or behavioral conditions, medications, dietary restrictions, allergies, or special needs that we should be aware of to ensure that your child's camp experience is positive. In keeping with the philosophy of maintaining a positive experience for our campers and to ensure the safety of each child, we have a *no tolerance policy for extreme actions, words, or behaviors*.

Coppermine reserves the right to change or cancel any camp program if conditions warrant. Notification will be provided as early as possible should this be necessary. If for any reason Coppermine is required to close due to state and local guidelines for COVID, families will receive a full refund for any unused weeks.

Please review all individual camps and summer programs to determine and confirm camp location and extended care options. Please note that different locations offer different early and late care options. We know families may have campers at multiple Coppermine sites and we allow for additional time at no charge for parents to get from each location during regular carpool drop off and pick up hours.

Coppermine will do our best to accommodate friend requests for camp groups within the same age range. Please note these requests on your camper registration information.

All young campers must be potty trained to attend camps. No exceptions.

Lunch is not provided (Golf camp only). We prefer insulated lunches labeled with campers' names. We supply water throughout the day. Please provide a water bottle labeled with the camper's name on it. We are not a peanut-free facility.

Coppermine is not responsible for any theft or lost items at our facilities. All Lost & Found items will be put in our Lost & Found area each week.

We encourage all parents and guardians to fully read our camp policies, **Camper Code of Conduct**, and camp information before registering campers for the summer.

The deadline for online camp registration is seven days prior to the camp week with which you are registering. Otherwise, you must call in to check camp availability. Please note camp openings and availability changes frequently.

SUMMER CAMP CANCELLATION, REFUND & CREDIT GUIDELINES

All camp registrations canceled *prior* to May 1st will be refunded in full.

May 1st through September 1st families are provided with an in-house Coppermine credit for the tuition paid for the unused weeks (expires 1 year) less the \$100 non-refundable deposit and a ten percent processing fee.

No refunds or credits will be issued for participants who do not contact Coppermine to cancel by the above dates or who do not attend their registered weeks. Coppermine requires seven days' notice throughout the summer for cancellations for the above policies to apply.

If a camper is dismissed for disciplinary reasons the above dates and policies apply.

Refunds will not be offered if the summer camp is closed due to weather conditions, power outages, flooding, or for any reason outside of our control that would prohibit the camp from operating safely.

All balances are due on May 1st, 2024, and will be charged to the card on file.

All summer camp changes, or requests are to be emailed and in writing to camp@gocoppermine.com.

For participants that want to add camp weeks, we cannot guarantee availability. Waiting lists will be added when specific age groups within specific weeks are filled. All campers are enrolled on a first come first served basis. Pony camp is limited to 4 weeks per camper.
